## EVANGELISM AND OUTREACH

### EVANGELISM AND OUTREACH

To encourage, equip and support those called by God to witness and serve throughout our community, nation and the world, across a variety of cultures and ethnic divisions. To share Christ's love by giving freely of ourselves and walking the walk as a visible reflection of God's love in the community and world. A primary goal is to encourage the entire PPC congregation to feel and share the joy of Christ's love by graciously welcoming visitors and newcomers to the community.

### RESPONSIBILITIES

- Create God centered mission events and opportunities to be carried out by our congregation.
- Identify individuals and groups currently responding to God's call outside PPC and intentionally seek to further relationships with them.
- Identify and encourage people within PPC to respond to the sending call of God.
- Foster community relationships.
- Identify and plan short-term mission projects with long term results.
- Prayerfully administering PPC's mission and benevolence support.
